

## ***Teacher as Researcher* Professional Development Series**

Professional Development Session Six:

Analyzing and reflecting on results

Agenda

### **Objectives:**

- Analyze and reflect on the results from a *Teacher as Researcher* instructional improvement cycle
  - Identify key lessons learned
  - Identify next steps and opportunities to integrate instructional improvement cycles
- 

### **1. Welcome and overview of agenda and objectives**

### **2. Homework review**

Discussion of the questions, wonderings, and reflections participants developed while implementing their second instructional improvement cycle.

### **3. Review of the *Teacher as Researcher* instructional improvement cycle**

Brief review of the four instructional improvement cycle stages and the four planning guide steps.

### **4. Reflection activity**

Participants use the *Reflection Worksheet* to interpret their results from cycle 2.

### **5. Share experience and provide feedback**

Participants discuss their experience with the *Teacher as Researcher* instructional improvement cycle and complete the post-survey.

### **6. Next steps**

- Upload your results and assessment from the second cycle to your *Teacher as Researcher* folder.
- Use the *Teacher as Researcher* Toolkit to plan additional cycles.
